

Bike Rental Contract

Université Laval

By becoming a user of this service you agree to respect the following rules:

- 1) When returning your bike, it is to be returned at the same place that you took it from. The space number should correspond to the number on the bike.
- 2) Daily bike loans are for a **4 hours** period and cost 2,50\$. Additional time will be charged at the rate of 1,25\$/hour. For specified prices, bikes can be rented overnight and during the weekend but the rental has to be made in the last hour of service of the day.
- 3) A valid pass allows a user to rent a bike with no fees for four (4) hours during the day. **Please note that additional time will also be charged at the rate of 1,25\$/hour.** Evening and weekend rentals are included in the pass but they have to be made in the last hour of service of the day, otherwise they will be charged.
- 4) When the shop is closed (evenings, specific weekends and holidays) bike rentals are valid until **11 am the next morning.**
- 5) The bike is to be returned in the same condition that it was when rented. In the case that you return a damaged bike you can be held responsible for as much as **\$250**, which needs to be paid in the following 30 days. If there is a problem with your bike please tell one of the Coop service members.
- 6) Université Laval and Coop Roue-Libre assume no responsibility for any damage or injury that may result from bike use.
- 7) For each bike rental the user must leave an official identification card as a deposit (driver licence, passport or health insurance card). **Student cards are not accepted.**
- 8) As a user, you are responsible for the bike. In the case of a **lost key, 10\$** will be charged. In the case of a **lost lock, 40\$** will be charged. In the case of a **stolen bike, you must replace the total cost of the bike (\$450).** Those fees are to be paid within 30 days following the theft or loss. In order to prevent the theft of the bike, you must always secure properly the bike with the provided lock when you park it, even for a few minutes.
- 9) The rental will be considered finished when you return the bike and the key and you have paid the rental. In the case that you can't pay the cost of the rental, we will register the return but we will keep your official identification card and you will be excluded from the service, as long as you have not completed the payment. No return can be registered outside of the opening hours.
- 10) If your lock happens to be broken, you have to make sure that the bike is safe from theft, either by parking it somewhere you are the only one to have access or by bringing the bike and the broken lock at the Coop. Outside of our opening hours, the bike and the broken lock should be brought to the Service de sécurité et de prévention (Pavillon Ernest-Lemieux, 2325, rue de la Vie-Étudiante, Bureau 1533, Université Laval)

11) Users that do not respect this contract will be excluded from the bike rental service.

Coop Roue-Libre invites you to take care of the bikes as if they were your own. This is to be done out of respect for the other users of this service provided by Université Laval.
